4. A game delayed due to the previous game running late should be played with reduced over if needed. A team cannot cancel the game without consulting the opposite captain. A game mutually cancelled is considered a TIE.
5. If it begins to rain in the 2nd half of the inning, then the scores at the end of 10th over will be used to decided the winner.
6. Cones to be used to mark outer boundary, and discs to be used to mark the inner circle. Minimum 4 players required in in the inner circle at all times. Only 2 players allowed outside the 30 yard circle in power-plays which is first 6 overs mandatory. Umpire will call it NO Ball if this is not met.

- 11.A team will automatically lose the toss, if it does not have 7 players at toss time. And it will start losing 1 over from its innings every 5 minutes of delay after 15 minutes of the Scheduled start.

You can talk to the opponent captain, get its agreement and mutually decide to play a reduced over game on a weekday. Same with swapping, you can find another team to swap/play in your spot. But please do not expect the league to start working for your convenience.
- 15.The playoff games will not be rescheduled, so if you have a special situation with a playoff game you need to send to the league the moment you qualify for playoffs. A weekend cannot be skipped for anyone, so please do not contact us saying I cannot play this entire weekend. However if you a situation during a certain hour of the week, the league will put an effort to work around it. 22. The team playing first should take the stumps and cones from the trunk and set up the field, and the teams playing last should put the items back in the trunk and lock it.
23. Any lost and found items can also be kept in the trunk, and if not picked up within 2 weeks, will be recycled or donated. The trunk has limited space and is also used for youth, so can't store lost and found items for long.
24. All players must be recorded on the scoresheet whether they batted or not. The players whose names are not recorded will be considered absent and will not be counted towards qualification in playoffs.

Uniforms:

- Team shirt are mandatory. The team loses one over from its batting for every player playing the game and not wearing their Team Shirt.
- Can a player wear something similar to the Team Shirt? No. Official team shirts (with League logo on left chest) are required.
- The team shirt takes 3-5 weeks to come, so captains are requested to plan accordingly. It is always good to keep a couple shirts extra if you anticipate a last minute player addition.

What if there is a conflict on the ground?

Both the captains should try to resolve the matter like gentlemen without involving other players. Every attempt should be made to continue the game ASAP. If both the captains decide the issue cannot be resolved mutually, please abandon the match and send a complete report to the Tournament Administrator. The Tournament Administrator will review the issue with the committee and decision of the committee will be binding to both the teams.

The game will not be rescheduled.
